

The DL115 ceiling mounted downlight is rated IP54 meaning it is waterproof and can be used in variety of applications indoors.

The anodizing finish provides much better performance on ageing, yellowing and corroding resistance than normal plating finishes.

Key Information

Wattage	25W
Cut-out Size	N/A
Lumen Output	1890 Lm
Install	Ceiling Mounted
Dimming	Option available
Trim Colour	Black / White / Silver
Warranty	3 Years
IP Rating	IP54
Approvals	CE/RoHS/SAA

Electrical

Driver	Non-dimmable/Triac
Supply Input	AC100-277V / AC200-240V
Dimming Options	Available with dimmable driver
Lifespan	>50,000 hrs

Photometric

Lm/W	75 Lm/W
LED	CITIZEN COB
CCT	3000K/4000K/5000K/5700K
CRI	>80
Beam Angle	60° / 90°

Construction

Housing Material	Aluminium
Adjustable Angle	N/A
Connection Type	Plug and cord
Total Weight	0.80kg
Dimensions	∅213 x 129mm
