

The DL211 downlight features a scoop, gimbal design with a diffuser for even light output.

The ADC housing provides excellent heat dissipation. The light can rotate 350 degrees horizontally and 40 degrees vertically.

Key Information

Wattage	33W
Cut-out Size	∅ 165-170mm
Lumen Output	2800-3200 Lm
Install	Recessed
Dimming	Option available
Trim Colour	White / Black
Warranty	3 Years
IP Rating	IP20
Approvals	CE/RoHS/SAA

Electrical

Driver	Non-dimmable/Triac/0-10V/Dali
Supply Input	AC200-240V
Dimming Options	Available
Lifespan	>50,000 hrs

Photometric

Lm/W	90-100 Lm/W
LED	SMD
CCT	3000K/4000K/5000K/5700K
CRI	Ra>80/ Ra>90
Beam Angle	110°

Construction

Housing Material	Aluminium / PC
Adjustable Angle	350° horizontal / 40° vertical
Connection Type	Hardwired
Dimensions	∅ 180x128 mm
